Map start: Saturday 250m and Sunday about 200 meters away from the time start, the way to the start triangle is marked.

Main road: driving on the main road is strictly forbidden and dangerous because of much traffic. Ways which are not allowed will be marked with zigzag line.

Ways: It is only allowed to use the paths shown on the map. Attention: Many ways are full of roots, especially in rainy conditions in the competition area is very slippery! Falling trees may block paths and known obstacles marked with red lines on the map.. In case of good growing of vegetation some path are less readable.

In case of unclear situations it's marked with blue ribbon.

Offroad driving and shortcuts are forbidden in Austria. Observers in the area control short cuts, this would cause a disqualification.

Only dark yellow areas with the symbol 839.3 "rideable area" of the map section are allowed to ride.

Barriers are marked with a bar.

If barriers are passable without dismounting the bike, they are slightly displaced drawn.

Always drive on the right hand side und take over on the left hand side!!!!
