Further information:

The use of the ski tracks is subject to charges. Only on the way to the start and during the competitions participants are freed of these charges.

Roads may be crossed only at the crossing points. The crossing points are unmanned, please **be careful** when crossing roads

As there is much touristic activity in the area, there may be additional Ski-Doo, ski and snowshoe tracks that are not mapped.

Be mindful of possible **contraflow** on all tracks. **Please pay attention to tourists – cross-country skiers, pedestrians and horses – and be especially careful in their vicinity.**

A limited number of map holders is available for rent in the event office.

Rental price: € 5,- per day.
