Off track riding is permitted

Miscellaneous information

The event is organised according to the competition rules of the Hungarian and Austrian Federations and IOF regulations.

Helmets are compulsory for every participant.

Some of the participants of the WE, ME and WMS classes will ride with GPS tracking.

Live GPS will be shown in the EC after the last start.

No training is allowed on the competition terrains before the event.

Please observe the highway-code and the forest law.

If the event is cancelled, neither the organisers, nor the Hungarian Orienteering

Federation takes any responsibility for expenses incurred by participants, except for entry fees transferred earlier.

By entering the event, participants agree that their photos taken during the competition and their results may get published online. Everybody takes part on the event at their own risk.
