ÜBERSICHTSPLAN

WARM UP

- Prepared Tracks east of CC and way to start

COMPETITIONS

- Embargoed Areas are shown on the Map but not marked at the terrain.
- Because of the heavy use of the standard tracks by tourist the running direction is marked with arrows on the map. Runners are asked to not run in the wrong direction

FINISH

- Finish Control

REFRESHMENT

- Warm Water

CONTROLS

- AIR+ ist activated
- Control numbers are shown on the control flags

TERRAIN TRACKS AND SNOW

- Because of requirements from the nature protection some tracks in the forest are made with snowshoe
- On Open Areas there is enough snow
- On Streets and in the forest, there could be stony areas (marked on the map).

ADDITIONAL INFORMATION

- Every participant is competing on their own risk.
- Every participant is responsible to have a ticket for the standard tracks if they are open on competition day
